

*Hufflepuff Planning  
Autumn Term 1 2020  
Gods and Mortals*

Geography

Investigate maps of Ancient Greece.

Make a sketch map- show islands, seas and mountains

Locate Greece on a world map, judge physical aspects: weather, terrain and settlements

Look at and investigate island of Crete and Palace of Knossos.

Look at modern maps of Greece. Use maps and the internet to research a location which they would like to rule

Art and Design

Sculpture- Make a giant 3-D head using a wire former and papier-mâché

Make sketches of Greek plates and patterns

Maths

Positional and Directional language

(See MTP Maths Plan for additional plans)

Design and Technology

Moving parts

Model Making

History

Order events in Ancient Greece on a timeline

Use a range of sources to explore everyday life, contrasting rich and poor

Research famous Greeks such as Aristotle, Plato, Archimedes, Pythagoras

Research Greek Soldiers and battles

PSHE

Resolving differences

How can we be a good friend?

Myths and legends

Science

Why did Icarus fall from the sky?

Children investigate how candle wax changes when it heats up, cools freezes and gets wet.

Children identify that animals, including humans, need the right types and amount of nutrition, and that they cannot make their own food; they get nutrition from what they eat.

Children identify that humans and some other animals have skeletons and muscles for support, protection and movement.
