

Literacy

Fact files: Dinosaur fact files and research to start our topic and create a foundation of knowledge. (PB)

Fiction: We will be reading *Gigantosaurus*, innovating the story and creating our own. (GJ)

Shape Poetry: use descriptive language to create dinosaur Shape poems. (PB)

SATs preparation; we will be doing weekly grammar sessions and **BIG WRITES** to focus on and improve grammar. (PB and GJ)

Science

How do we know dinosaurs existed?

We will be looking at different dinosaurs, their features and what they ate (carnivores and herbivores).

We will be looking at the different time periods; Triassic, Jurassic and Cretaceous.

We will be thinking about how dinosaurs defended themselves.

Music

We will be composing our own Dinosaur songs to describe sounds that they may have made or heard.

We will use a variety of instruments to experiment with beat, rhythm and tempo.

Art / DT

Water colour painting. We will be painting our own dinosaurs and creating new names for them.

Fossils. Using clay and painting we will be making dinosaur fossils.

RE

What makes me special and who is special to me?

How do we make other people feel special?

Who is Jesus and why is he special to Christians?

The land before time

Ravenclaw
Summer 1
Mrs Jusic/ Mrs Bushall

Maths

Measure, length and height (GJ)

Position and direction (PK)

Problem solving (GJ)

SATs preparation; mental arithmetic and reasoning (PK and GJ)

PE

Rounders: basic skills of pitching and fielding.

Cricket: quick cricket skills and game rules.

PSHE

We are going to think about 'extinction' and which animals are close to becoming extinct. We are going to think about how we can help protect endangered animals to prevent them from becoming extinct.

Geography/History

Map where dinosaurs have been found around the world.

Create a timeline to show the extinction of dinosaurs and the birth of humans.
