

Teacher	Teaching focus	Duration	Learning outcomes
			Year 1/2
PK	Multiplication and Division	4 weeks	<ul style="list-style-type: none"> • Make equal groups - sharing • Calculate mathematical statements for multiplication and division within the multiplication tables and write them using the multiplication (\times), division (\div) and equals ($=$) signs. • Solve problems involving multiplication and division, using materials, arrays, repeated addition, mental methods and multiplication and division facts, including problems in contexts. • Show that the multiplication of two numbers can be done in any order • Recall and use multiplication and division facts for the 2, 5 and 10 times tables, including recognising odd and even numbers.
GJ	Statistics	4 weeks	<ul style="list-style-type: none"> • Interpret and construct simple pictograms, tally charts, block diagrams and simple tables. • Ask and answer simple questions by counting the number of objects in each category and sorting the categories by quantity. • Ask and answer questions about totalling and comparing categorical data.
PK	Fractions	1 week	<ul style="list-style-type: none"> • Recognise, find and name a half as 1 of 2 equal parts of an object, shape or quantity • Recognise, find and name a quarter as 1 of 4 equal parts of an object, shape or quantity • Extension; finding thirds, fourths, sixths and eighths of a number
GJ	Place Value	1 week	<ul style="list-style-type: none"> • Read and write numbers to and past 100 in numerals and words • Recognise the place value of 2, 3 and 4 digit numbers • Rounding to the nearest 10 and 100
