September 2017

Dear Parent/Carer

Techniquest Class Trip

This term we are learning about 'Space' through our topic 'To Infinity and Beyond'. To complement the children's learning we have arranged a visit to Techniquest in Cardiff Bay on Friday 29th September, where the children will take advantage of the digital Planetarium. In the Planetarium the children will take a close-up look at the solar system, constellations and the life cycle of a star. In the science museum the children will have time to experiment on the 120 hands-on exhibits.

We will be leaving school promptly after registration and returning to school at approximately **3.30pm**. Your child should be wearing school uniform and will require a packed lunch and a drink.

To cover the cost of the trip we are asking for a voluntary contribution of £8.00. Payment and permission slips must be returned by Friday 22nd September. We understand school trips and events can become financially cumbersome, therefore the school will be contributing £200 to cover the cost of the coach. Although these payments are voluntary, if we do not receive sufficient donations we will have to cancel the trip.

There is a souvenir shop where children with pocket money will have an opportunity to visit while we are there. Alternatively, goodie bags are available to pre-order for £2.50 per child. Please note this is an optional extra.

Yours sincerely,

Miss Kay.
Class Teachers

We are an Extended School

Child's name: Class:

I **DO/DO NOT** give permission for my child to attend the class trip to Techniquet in Cardiff Bay on Friday 29th September.

- I enclose payment of £8.00 to cover the cost of the trip.
