

## Mathematics

### Place value:

Revisiting the value of numbers, tens, ones, hundreds. Using a number line and a number square to solve place value problems. Comparing and ordering numbers. Counting confidently and understanding the more and less signs.

### Addition and Subtraction:

Subtraction and addition using concrete objects and a numberline. Recall number facts to 20. Solve one and two step problems such as:  $9 + ? = 20$ .

*Workshops will be held to help support your children at home. Watch out for more info.*

## PSHE

We will be making our own set of class rules and signing them.

We will talk about how to be a good friend.

What does the word respect mean?

## Literacy

### Mr Wiggle and Mr Waggle:

We will be learning to retell the story using actions and begin to write our own.

### How to make a Sandwich:

Firstly, we will explore what are instructions? What is fiction and non-fiction? Then, we will be learning all about instructional language that is needed to write of our own set of instructions.

### The Little Beaver and the Echo:

We will be learning to retell this story of the Little Beaver and the Echo. We will then retell the story and some of us will change elements.

### Fact File about Blakeney:

We will be learning all about Blakeney in our local study. What is true what is false? Come into school and see us at the end of term present to you our interesting facts about Blakeney.

**This is Me!**

## Religious Education

Harvest time, a time for giving and thanks.

Who do Christians say made the world?

## Science

This term we will be learning about plants. What different types of plants are there in the Forest of Dean? We will observe and describe how seeds grow and mature into plants. We will investigate what plants need to stay healthy.

Not forgetting, we will be planting our own seeds!

## Geography

Can I find the U.K. on a world map?

What are continents?  
Which continent do we live in?

Which countries make the United Kingdom?

## D&T / Art

We will be making a replica of one of the building in Blakeney. We will design and create our buildings using a range of resources. Come into school and **help us**.

## History

What was Blakeney like before I was born? What about before my parents and Miss Fisher was born? Has it changed? What are the differences and similarities? We are even going to meet someone who went to Blakeney Primary School over 60 years ago!
