18th March 2020

Dear Parents

School Closures

I have just noticed that schools in Scotland and Wales are to close this Friday 20th March.

I can only emphasise that I have not had official confirmation of whether we should be closing our schools but feel that as the Prime Minister said today, school closures in England are 'imminent', I think that it is necessary that I should warn you that we may well be closing shortly. At present there are no signs as to how long this will be.

Class teachers have organised blocks of work. Here are some key points to remind you:

- Work for the children has been planned and will be available to you from the second day after we close
- If we close on a Friday they will be available on the following Monday
- Workbooks and relevant materials will be sent home tonight
- If your child is not at school currently please arrange to collect from school
- Any medicines that you need to take home, for example inhalers, please collect on the day we close
- I will inform you immediately when the schools are due to close

The letter that I sent on Monday gives details of how we intend to deliver the work to the children, through an email system. This letter is still on the website and will remain so. Please become familiar with what is required.

This is an extraordinary time for us in school, but it is an extraordinary time. I wish you all the best and look forward to seeing you soon. In the meantime, please do not

hesitate to contact me through my usual email address which you will find at the end of this letter.

Yours sincerely

A handwritten signature in black ink, appearing to be 'B. Stevenson', with a large loop at the end.
