Dear Parents,

Morfa Bay Year 3 & Year 4 May 7-9th 2019

There is an opportunity for the children in Hufflepuff Class to participate in a residential trip this year.

The children from Pillowell will be going to Morfa Bay, in Pendine, West Wales. This is the same centre which the Y5 and Y6 children will be attending earlier in the year. I have asked the centre if they have space for the Blakeney Y3 and Y4 children, so they can join the group.

At this stage I would like to know if you are interested in sending your child. The cost is £165. This will include two overnight stays, the activities, and of course the food. This will not include the travel cost, which I am trying to keep to a minimum.

The activities will mostly be 'land based' such as climbing, zip wire, assault course, archery and abseiling. There may be a low water body surfing activity too.

I have used the centre for over 15 years. It is family run and owned, and quite honestly it is excellent. I have used other larger residential providers, and would always recommend Morfa bay above the others.

At this stage I would like to know if you are interested in your child taking part. I can then make a booking and then inform you of payment. There is obviously a short notice to pay the funds, so I am willing to offer the payment up until the end of the Summer term, which I think is reasonable.

If this is the case, please return the slip attached to school by **Friday 25th January**.

We are an Extended School

Finally, I have taken both Blakeney and Pillowell Y3&Y4 children on residential trips before. It may seem daunting, but there have never been any major incidents of homesickness or children not coping. They have a fantastic time. I am sure that you may have questions that you feel you need to ask, so please do not hesitate to contact me if you. In the meantime please have a look at their website:
