4th May 2018

Dear Parents,

As you are aware, the SATs are getting closer. Thank you for the support that you have given your child over the last few months. The children have been working hard and I know that they will perform to their best. We will support them through this process. Please ensure that your child has a good night's sleep before each test, as they are both academically and emotionally challenging. We will provide some additional snacks as the children are revising just before the actual test.

The timetable is as follows:

Monday 14 th May	Grammar Paper 1 Spelling
Tuesday 15 th May	Reading Paper
Wednesday 16 th May	Maths - Arithmetic Paper 1 Reasoning Paper 2
Thursday 17 th May	Maths - Reasoning Paper 3

Results

From 2016 the DFE has used scaled scores to report National Curriculum test outcomes. On the scale 100 will always represent the 'national standard'. Tests need to be marked before they can set that 'national standard'. Once the DFE have the 'national standard' they will use a statistical technique called 'scaling' to transform the raw score into a scaled score. Pupils will be deemed to 'have met/ not met' the expected standard, based on the 'national standard'.

Kind regards,
