Car Park and Car Parking

Dear Parents,

First of all, I hope you are well, and now adjusting to the autumnal weather that has finally arrived.

Over the last week I have been made aware that some parents are concerned about the supervision of children in and around the school gates, at drop off and pick up time.

I must remind you that your child/ren must be supervised at all times. This includes from the moment they arrive, until the moment they are accepted onto school grounds, by a member of staff at the start of the day, and the opposite at the end of the day.

Butlers Mead

Children must not play in the car park at Butlers Mead, near the GP surgery. They must not climb trees, and should display the kind of behaviour that we would expect in school. I know that sometimes the timings become a little 'loose', and whilst this is certainly not deliberate and is regrettable, we must have your full cooperation when we ask you to supervise your children until they come into school. There are several bollards separating the main path from the school gate from the car park. I must ask you to wait with your child within this area.

Old Station Road

I have had also complaint regarding parents driving up and down this road, immediately adjacent to the school, at an unreasonable speed. I have also had a separate report of parents using bad language, in front of children. This is obviously unacceptable.

I cannot stress enough the importance of keeping your child supervised at all times, as well as conducting both driving and conversations at a safe level.

Please be vigilant, and do not hesitate to contact me directly if you have a concern.

Thank you for your support.

Take care,

Kind regards,

A handwritten signature in black ink that reads "Brett". The letters are cursive and slightly slanted to the right.
