Dear Parents,

Coronavirus

Today I have asked for some information to be placed on our website, regarding the spread of Coronavirus, which I am sure you have all heard about. It should be on my tonight.

Essentially this is Government advice, which always seems a little formal.

I would like to reassure you that we will act on local and national advice if there is a suspected or confirmed case of the virus in school, and react immediately if we need to. However, the advice that I receive daily, is to reinforce vigilance amongst staff, pupils and parents regarding hand washing, sneezing to a tissue and binning it immediately.

If you suspect that you or your child has come into contact with somebody who has direct or indirect contact with somebody who has travelled to an identified zone, and then develop flu like symptoms, the advice is to self isolate and call 111.

Please do not hesitate to contact me if you have any concerns, or wish to seek advice. I always respond to emails, not matter whether it is during the week or weekend.

Thank you for your support,

Yours sincerely,

Headteacher
